The President's Page

2019 was a great season. But, like most, it felt like it ended too soon. Reflecting on it, as I look out my window and into the cold, I feel grateful to have had the opportunity to sail in the Gulf of Maine for more than a decade. As a late-to-life sailor, I was lucky enough to be offered an opportunity to crew when I knew next to nothing about sailboats. I believe my early value as a crewmember was limited to a knack for cleaning up the boat before, after and during races. As luck would have it, I met a wonderful girl that liked to race boats and actually knew something about it, as well. With the combination of my skills in maintenance and prep and Gretchen's sailing and racing skills, we spent most of our dating life and early married years on and around boats on the GMORA circuit. Sailing has taken me so many places that I never thought I would go. The relationships formed along the way have provided me a life with many amazing experiences. In 2019, some of those experiences included racing in southern, central and eastern Maine and only missing Penn Bay due to some unforeseen circumstances. As always, old friends showed up in ports along the way and we had a great ride.

As we move forward and look to 2020 and beyond, early GMORA memberships have increased and interest in this year's racing schedule has been strong. I encourage all to look at the schedule and get the ones you'll do on your calendars now: Each event represents time spent on the water with friends and family, and the summer season in Maine is short. Here at GMORA we're hoping in the 2020 season to add social events to some races and to introduce quick-scoring wherever possible. We're also looking for your feedback, and welcome anyone who'd like to volunteer to help promote the sailing and racing we all care about. Please tell us what you need, help when you can, and come out and play.

This winter, our board met regularly to discuss member-supported changes. We appreciate your input, and look forward to your participation in meetings whenever possible. Here I feel like I should thank Don Logan, who has worked tirelessly on behalf of the board. Our sailing community benefits greatly from his continued support of all things GMORA. If we seem to be missing the things that are important to you please reach out — we need to know. We are happy to announce, after some push from members and clubs, that our support scholarships are back in play, and that we are backing up our lip service with financial support. This is a board that cares about and supports all-things-sailing, and I thank them all for their time and contributions.

Spring commissioning is bearing down on the yard where I work. Calls are coming in from people every day to check on details from the winter, and to push launch days forward. Some of us are do-it-yourselfers when it comes to boat work, while others prefer to tap the industry's pro's. No matter how you go about prepping, now is the time to tie up the details. Watching boats go in the water is one of the most exciting parts of spring; it means the boating season, for real, is right around the corner. I look forward to seeing you all soon, whether it's at a club event or on the water itself. As always, thank you for your support, and remember — it's always better to sail in more breeze.

Your president,
Brent Sullivan

Scoring, Trophies, and Conditions of Eligibility

1. Eligibility

Each boat with a valid PHRF-NE or NEMA certificate whose owner is a current GMORA Regular Member in good standing shall be considered eligible for scoring.

2. Race Day

A Race Day is one day of racing, whether one or more races are conducted. A competitor must compete in all races conducted on a day for that Race Day to be eligible to be scored. If a boat scores DNC in any race, that day will not be scored as a Race Day. Certain long-distance races are scored as two Race Days; see the Racing Schedule.

3. Scoring System

Race Day performance of a yacht will be scored by GMORA using the CHIPS 3 scoring system, which weighs results by reference to the number of competitors in a particular division. So, for example, a 1st place in a division of 12 competitors will yield a higher score than a 1st place in a division of five competitors.

4. Division Breaks

For GMORA scoring PHRF-NE racing division breaks will be:

Division 1 – up to 93

Division 2 – 94 to 192

Division 3 – 193 and up

Cruising Class yachts shall be scored in one division. Multihull Class yachts shall be scored in one division. Shorthanded Class yachts shall be scored in one division. J/80 Class yachts shall be scored in one division. Member clubs are encouraged to use the same breaks where feasible.

5. Scoring

A. A Racing Class yacht shall be scored in her GMORA division irrespective of the division in which she races in any specific regatta. As an example: If a yacht has a Racing rating that places her in GMORA Racing Division 2 but the Race Committee places that boat in Racing Division 1 (for any reason) she shall earn points for each boat beaten that day and those points shall be applied to her GMORA score against her Division 2 season competition.

B. Racing, Cruising, Multihull and Shorthanded Classes shall be scored separately. Yachts that score a Race Day in one Class shall not apply that score to any other Class.

C. Standings for the day are determined by the low-point scoring system, which is described in the Racing Rules. A yacht that is present and accounted for in the starting area but does not start a race will be scored DNS for that race, will be considered to have competed, and will be scored accordingly with a Low Point score of 1 plus the number of yachts. CHIPS 3 points for the day are awarded based on the resulting standings.

6. Race Committee Support

The purpose is to encourage yacht owners to support Race Committees by awarding GMORA points for Race Committee participation in GMORA-scored events. GMORA points will be awarded to a yacht whose owner provides support for a Race Committee. The following rules apply:

1. Points will be awarded for, at most, two Race Days per season.
2. The owner must serve on the Race Committee for all races in each of the one or two Race Days.
3. To qualify for an award, a yacht must still race the required minimum number of Race Days.
4. Race Committee Points will be calculated as follows: Take the trophy qualifying scores after throw-outs, drop the lowest one or two scores (depending on the number of days supporting the Race Committee in that region) and replace them with the average of the trophy qualifying scores.
5. This calculation will apply to the Region, the Overall, and the Dirigo Bowl trophies. This will not apply to the Watson Trophy, the Ocean Planet Trophy, or other such special awards.

7. Awards

Awards are based on the Chips-3 scoring table (also known as high-point percentage scoring). With Chips-3 scoring, a vessel that wins in a larger fleet is rewarded more handsomely as compared to a vessel that wins in a smaller fleet (refer to the Chips-3 chart).

Regional Awards

Trophies will be awarded to eligible yachts in each of the three (3) GMORA Racing Divisions, the Cruising Division and J/80 Class. Second and subsequent-place trophies will be awarded if participation in the division is sufficient.

Western, Boothbay, PenBay and East Region:

To be eligible, a yacht must race four (4) Race Days in races designated for the specific Region in the Race Schedule. Best four (4) Race Days in a region count. Race Days must be from at least two different organizing authorities (ex. Boothbay and East) and at least four separate events. A yacht can be eligible for trophies in multiple regions if they meet the above requirements.

Gulf of Maine Overall Championships:

To be eligible, a yacht must race in three of four events, pre-designated by GMORA, plus a 4th score that will be carried from a boat's best score in any GMORA-scored event. In the event the regatta is a two-day event, the score entered will reflect the points based on the boat's regatta finish and the number of boats in the class. Designated regattas are: West Region – PYC Pilot Regatta; Boothbay Region – 46th Annual

Boothbay Regatta; PenBay Region — Around Islesboro Race; East Region — Max Warburg Trophy.

Multihull-Circuit Championship:

To be eligible, a multihull yacht must race four (4) Race Days in any GMORA-sanctioned region. Best four (4) race days count.

Shorthanded-Circuit Championship:

GMORA will score a shorthanded-circuit championship. To qualify for the shorthanded-circuit championship, a yacht must race at least three (3) qualifying Race Days, including at least one race 65 nautical miles or longer; and must race all qualifying races with a crew of at most two (2). The best three (3) days count. At least one race 65 nautical miles or longer must be counted.

A yacht that races shorthanded in a normally crewed division also earns points for that race in that crewed division. A yacht may race with crew on some race days, and shorthanded on others, but not within the same regatta.

A qualifying race day is defined as follows:

If there is a shorthanded class, the yacht must race in that class, except as set forth below. The yacht would be scored against that class.

If there is a single-handed class, but no double-handed class, then a double-handed boat may race in the crewed division in which she would normally race with a spinnaker. The single-handed yachts would be scored against the other single-handed yachts, and the double-handed yachts would be scored against the crewed boat.

If there is no shorthanded class, then a shorthanded boat may race the crewed division in which she would normally race with a spinnaker. The yacht would be scored against the class in which she races.

If a regatta offers more than one shorthanded class for boats flying spinnakers, then yachts shall race in their respective assigned classes, and earn points against

those classes. Multihull yachts that meet these requirements are considered eligible. Cruising Class boats are not eligible.

J/80 Circuit Championship:

To be eligible, a yacht must race at least six (6) Race Days designated as Fleet J/80 (see race schedule). Best six (6) days count. Race days must be from at least four separate events.

A skipper must inform the regatta chair at the official regatta check-in that the race day(s) should be scored toward the J/80 Class (A class within a class). A boat may keep points earned for both classes.

Perpetual Trophies

Dirigo Bowl, Gulf of Maine Championship:

The winner shall be the yacht that attains the highest score for at least three of the four designated regattas, plus a fourth race as selected by the boat owner.

Arthur K. Watson Memorial Trophy:

1. Awarded to the yacht that participates in the most GMORA sanctioned Events. In the event of a tie, the trophy will be awarded to the yacht that has the highest cumulative Race Day Chips 3 points.
2. There is no distinction granted to specific Division participation. Yachts in all Divisions — both Racing and Cruising — are eligible.
3. Eligibility is recognized even when a yacht participates in more than one Division. Yacht scores from all Divisions will be added together to be cumulative.
4. Events are Series recognized and sanctioned by GMORA.

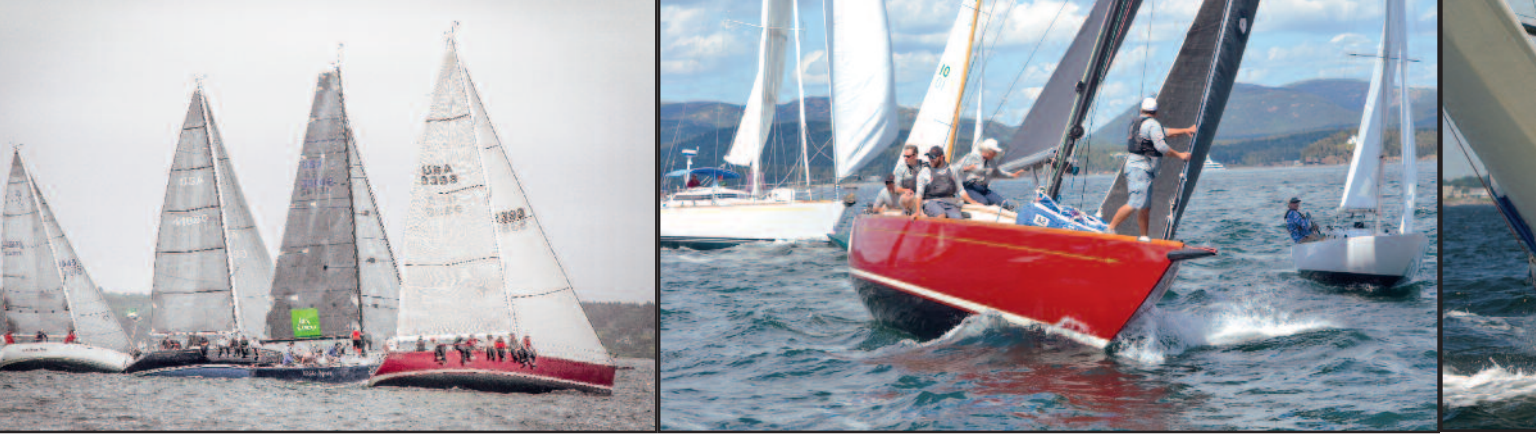

Ocean Planet Shorthanded-Racing Trophy:

1. Awarded to the 1st-place winner of the Shorthanded-Circuit Championship

The Dirigo Bowl represents a history lesson of sailing in the Gulf of Maine linking the days of multiple overnight races to today's format of predominately weekend day racing.

The winners' plaques read like a who's who of racing in Maine. Roger Hewson was the first Dirigo Bowl award-winner when it began in 1974, under the auspices of the Casco Bay Sailing Association and was the season championship for CBSA. As CBSA dwindled and the Gulf of Maine Ocean Racing Association emerged, the Dirigo Bowl became the season championship for GMORA representing all the handicap racing in Maine.

In the 46 years that have passed since the first competition, there have been only twenty-six winning skippers with one boat winning six times in seven years (*Kaos*, 2008-2014). The trophy itself is impressive. The silver bowl shows the scars of many winning celebrations of hearty toasts to the real and imagined feats of sailing and raucous partying.

Come be part of the Gulf of Maine's sailing history.

Make travel part of the fun. For example, if home is Casco Bay, cruise Penobscot Bay and Blue Hill Bay between the Max Warburg Trophy and the Around Islesboro Race. If you need to, leave your boat in Rockland for a few days on one of the town's many moorings. Imagine the memories you will have next winter.

Get off your mooring and come have some fun.

Rockland Yacht Club
Rockland, Maine
FMI: www.rocklandyachtclub.org

Since the late 1990s, the Rockland Yacht Club has held an annual race on the Saturday closest to the longest day of the year. Aply named the Solstice Race, this event is held around goverment marks in West Penobscot Bay. Racers can look forward to friendly, spirited competition and a chance to knock the rust from sailing skills and reflexes dulled by our long Maine winters. Throw in a post-race BBQ and potluck at the Rockland clubhouse, with trophies awarded to Cruising, Racing Division 1, Racing Division 2 Classes and you have a recipe for loads of fun. This is the reward for those who get their boats in early; come out and mix it up!

Harraseeket Yacht Club
South Freeport, Maine
FMI: www.HYC.cc

The Harraseeket Regatta offers racing around some of the most beautiful parts of Casco Bay. The race follows a pursuit format, with the smallest and highest-rated boats starting first – no crowd at the starting line. When boats sail to their rating, the finish can be exciting as the faster boats catch up to the early starters, and everyone crosses the finish within a few minutes of one another.

HYC offers a friendly, casual atmosphere in one of the best-protected harbors in Casco Bay. Following the post-race festivities, which occur at Dolphin Marine, it's a short sail or motor to the anchorage at the Goslings. What a great way to mix racing and cruising in a single weekend!

Moorings: Visiting yachts needing a mooring should contact Strouts Point Wharf Company (207) 865-3899; VHF Ch. 9 or Brewer's South Freeport Marine (207) 865-3181; VHF Ch. 9.

The Marblehead Yacht Club invites sailors to participate in the Downeast Challenge, an exciting overnight, full-moon, sailboat race of 100 nautical miles from Marblehead, Mass.,

to Boothbay Harbor, Maine, starting on Friday, Aug. 7. This is a great way to get to Maine for summer cruising in the company of like-minded sailors. The 100nm distance makes this a qualifier for longer races like the Marblehead to Halifax or Newport to Bermuda. The event is open to all boats 26' or over with lifelines, jacklines and pulpits, and with valid PHRF handicap certificates. Boats without a valid PHRF handicap certificate must indicate if racing in spinnaker or non-spinnaker class, and provide information on boat design, largest headsail (in percentage of "J" measurement), type of propeller (fixed, folding or feathering) and, if in the spinnaker class, the largest spinnaker (in percent of "J"); Marblehead YC will provide an uncontestable PHRF rating. Classes will include: PHRF Racing, Cruising, and Single/Doublehanded. Additional classes that have five or more registered boats will get their own start.

The MS Regatta is at the heart of MS Harborfest weekend. Now in its 37th year, the MS Regatta is the longest-running and largest charitable sailing event in Northern New England and on the GMORA circuit. MS Regatta's expert race committee oversees three courses of varying lengths through Portland Harbor to Clapboard Island. There are racing, cruising, one-design and classic divisions, and class sizes are kept small and well-separated to reduce stress on our novice skippers and crews.

Awards will be presented including the highly coveted Greenhorn Award for best rookie boat, as well as awards

for Team Spirit and Best Dressed Crew. Additional party tickets can be earned through fundraising or can be purchased two weeks prior to the event.

The MS Harborfest Regatta is the largest regatta in Casco Bay and on the GMORA circuit. There are a lot of points at stake for those competing for the Dirigo Bowl. But, more importantly, the event raises thousands of dollars that help fund local services for over 3,000 Mainers affected by MS so they can live their best possible life, and fund research initiatives to STOP MS, RESTORE what it has taken, and END MS forever.

The Approach of a New Sailor

By Nicole Barna

It only took me a few times being out on a sailing charter in Casco Bay to start dreaming about being out on the water as much as possible. Yet, I didn't grow up sailing, didn't know the difference between port and starboard at the time, and most advice given to me in my life had been, "the best boat is a friend's boat." So, at first, making my dream a reality seemed like an incredibly unreasonable feat.

But, I was committed. I committed to learning the basic terminology (accepting it may take a lifetime to learn all of it), studying the points of sail, and taking every opportunity to experience sailing with different skippers and crews. It turns out investing in a pair of boat shoes wasn't entirely necessary, although it provided me with a little more confidence starting something new with such little experience. Surprisingly, I found the Maine sailing community to be extremely inviting. It was like, "Hey, you like adventure? I like adventure. Let's go sailing!"

Yet, disparate invitations for social sails were not getting me out on the water as much as I'd wanted. Plus, I started to want to be more than a passenger and learn good sail trim, navigation, and have the experience of hoisting a spinnaker (at least once). I was intrigued to get involved in sailboat racing. Racing offers sailors at all skill levels adventures while also offering the challenges that build individual aptitudes and strengthen communication. The sunsets, meals, enter-

tainment, and socializing are all a great bonus! And, if you have the time, it's possible to sail Tuesday, Wednesday, Thursday, and all weekend for most weeks of the summer!

Reflecting on my first summer of racing, it's difficult to remember how I got on so many boats. But, here are a few tips as I encourage you to get involved:

Get Out in the Community

GMORA, Points East Magazine, Sail Maine, The Apprenticeshop, Portland Yacht Services, and many Local Yacht Clubs all host social, networking, crew-match and educational events that are open to everyone. Trust that the community is excited to have more people involved and attend these.

If you were not able to attend events (or miss getting involved early in the season when the events happen), I'd encourage you to join yacht clubs as a social member (where you can volunteer at regattas) or post your interest on the notice boards at clubs, marinas, and local boating stores. Points East website hosts a crew match page (<https://www.pointseast.com/crewmachsubmit/>). Also, SailMaine has social sails you can participate in throughout the season. And, the South Portland Sailing Center is a fantastic resource to get out on the water and into the community.

Ask Questions

Sailors love talking about sailing. I've found if you have questions, they typically don't mind answering them, especially if you have potential to be a committed member of their crew in the future. And, even if you're talking to someone who doesn't need crew – they likely know someone who does.

Be Accountable

When captains select their crew, it's critical that the crew is prepared and present at go time. If you are invited to join a crew, take the responsibility seriously and show up. Don't leave your skipper short-handed for the race. And, when you're assigned a role, make sure you understand what's expected before the race clock begins.

Be Humble

Listen more. Talk less. Respect that if you're new to the crew or the entire crew is new, your skipper is doing their best to direct the crew to work together and be competitive. Your job as a crew member is to execute the captain's sail plan and do the jobs you've accepted or are assigned. Some skippers speak clearly and some may yell their commands. For this reason, it may be best to commit to the races that are shorter in length until you learn a skipper's style and how you feel about it. Sometimes, it's about getting out of the way fast enough for an experienced crew member to get involved. That's ok too.

Pack Appropriately

As a general rule, I'd say show up fed and don't bring anything but your body (and maybe a bottle of water and your own PFD, if you have one) to J-Boat, Etchells, and Weekend Regatta events. These events are most competitive and I've found that the skippers may be concerned about any extra pound of weight you contribute. I've also found that skippers of longer regattas own the responsibility of feeding their crews and making sure you have tickets to the post-event buffets.

Meanwhile, if you're in a PHRF race or anything that goes by the name "beer can," make sure you know the skipper's pick of poison and offer to bring some with you – the "snacktician" is always a great beginner position during cruising races.

Important Rule

When we got back to the dock, one of the captains I enjoyed racing with the most always made sure to ask me if I had fun. "Having fun is the first rule of sailing." As a legend who could recite most of the rules from memory, took the race very seriously, and would often win, it meant a lot to know how much he cared about the crew's experience. Let us all take away that we race in these communities for

pleasure. And, in addition to being on the water, watching the summer's sun setting, and developing skills that improve your whole self, there's often a celebration somewhere after docking to extend the fun. At Centerboard Yacht Club, each crew hosts a meal, at Portland Yacht Club they have bbq dinners post-race and live local music on Thursdays for a small cost, and each regatta has their own separate events your skipper will be able to share the details with you for.

Looking forward to seeing you on the water!

GMORA History

Following are some year-by-year highlights in GMORA history, compiled from information dug up from various offices, filing cabinets, and certain participants' remarkable memories. Anyone who can fill in any blanks is encouraged to send information to info@gmora.org.

1972: Nearly 60 members, 40 boats participated, 16 qualified for trophies, which were awarded Nov. 2 at the Port House Inn, Kennebunkport. Merle Hallett's *Scaramouche* was the season champion.

1973: The Pilot Race, Whaleback Race Div I and II, Monhegan Race IOR, Monhegan Race (New England Racing Rule), Manana Race, and Boon Island Race composed the series. A yacht needed to participate in at least three races to be eligible for a trophy. Thirty-eight boats were entered in the circuit, 21 received final point standings. The U.S. Coast Guard Academy's *Caper* took 1st overall.

1974: The Camden-Castine Race Weekend, Danforth Cup Race, Harraseeket Yacht Club, Kittery Point, Kollegewigwok, Castine and Camden, led to an expanded series. Twenty-nine GMORC yachts took part in seven races, and 22 qualified by competing in four or more races. For the first time, yachts were divided into two classes. Maine Maritime Academy's *Omega* won Class A, and Abbot Fletcher's *Majek* took 1st in Class B.

1975 Boothbay Harbor Regatta was included for the first time. There were eight races and 21 qualifiers for final standings. Albert Emanuel's *Kolibri* took 1st in IOR, Abbott Fletcher's *Majek* won NERR, Jan Pederson's *Heitoik II* was 1st in MORC. *Majek* was the overall season champion.

1976: A new divisional structure and handicapping system is introduced: International Offshore Rule (IOR) and Midget Ocean Racing rule (MORC). There were still two divisions, and 26 boats qualified for final points. Doyle Marchant's *Revolution* won the IOR division. *Barbara*, skippered by Del Damboise, took 1st in MORC.

1977: Twenty-one boats qualified for final scoring. Merle Hallett's *Scaramouche* was 1st in IOR A, J. and Dave Corson's *Rub-a-Dub-Dub* won IOR B, Abbott Fletcher's *Majek* won the NERR division, and Payson Adams *Pointin Star* was tops in MORC

1978: Danforth Cup and Whaleback Races were dropped from circuit. The Pilot Race changed to two-day race weekend, similar to Boothbay Regatta. Twenty-three boats qualified for final points. Doyle Marchant's *Revolution* and J. and Dave Corson's *Rub-a-Dub-Dub* won IOR A and B respectively. Abbott Fletcher in *Majek* took the NERR division, and Dave Cordeau's *Fast Company* emerged tops in MORC.

with a distance of 50 miles or greater. Bruce Schwab, skipper of the Open 60 *Ocean Planet* that competed in the Around Alone Race, donated an artifact from the original *Ocean Planet* to serve as a perpetual trophy. Butch Minson, skipper of *Cat's Paw*, was the first winner of the trophy.

The PHRF Maine Regatta moved to the Boothbay area, as Boothbay Harbor and Southport Yacht Clubs teamed up to host a two-weekend series of races.

At year's end, Pete Price's *Big Dog Party* emerged at the top of Division 1 overall, Scott Smithwick's *Kaos* won Division 2, Butch Minson in *Cat's Paw* took Division 3, Rob Hawley won Division 4 in *Rainier*, and Randy Rice's *Rita P* was tops in Cruising Class.

Scott Smithwick and his crew on *Kaos* won the Dirigo Bowl for a third straight year, edging out Don Logan's *Keemah* by just a few points.

2011: The racing schedule was revamped in an effort to ease delivery logistics and encourage more boats to participate. Following the Fourth of July weekend, the action moved straight to Penobscot Bay, where the Rockland Yacht Club stepped up to the plate and hosted a "revival edition" of a favorite point-to-point race to Castine and back. Racers competed the following weekend off Camden, and then boats harbor-hopped their way back west, with stops at Boothbay and Southport before the big Monhegan overnighter.

Scott Smithwick and his talented crew aboard *Kaos* were once again dominant, winning the Dirigo Bowl for a fourth consecutive year. *Big Dog Party*, skippered by Pete Price, won Division 1; *Kaos* emerged atop Division 2; Butch Minson's *Cat's Paw* was 1st overall in Division 3; and Randy Rice's *Rita P* won Cruising Class.

2012: The Penobscot Bay Rendezvous was added to the circuit and proved very popular. The inaugural running of the Gulf of Maine Solo-Twin race from Provincetown to Rockland was a hit with single- and double-handed racers.

Don Logan's *Keemah*, Peter Price's *Big Dog Party*, and Richard Stevenson's *Buzz* battled it out all summer for the Dirigo Bowl, with *Keemah* emerging as the victor at the end after the Portland Yacht Club's Fall Series was done. Overall division winners were *Big Dog Party* in Division 1, *Keemah* in Division 2, and in the Cruising Division, Randy Rice came in first in the new-to-him Pearson 34 *Imagine*. *Buzz* won the Ocean Planet Shorthanded trophy.

2013: Scott Smithwick and crew on board *Kaos* once again schooled the fleet taking home the Dirigo Bowl, for the fifth time in six years, but not without some drama in September. At the end of August, *Kaos* lead *Keemah* for the overall by 11.1 points, and proceeded to extend her lead after the first Fall Series race. However, the next week, in the Lightship Race, *Keemah* beat *Kaos* to cut into *Kaos'* lead, but not by enough. The die was cast.

Overall division winners were Scott Smithwick's *Kaos* in Division 2 and Butch Minson's *Cats Paw* in Division 3. There were no overall winners in Divisions 1, 4 or Cruising. Scott Miller's *Resolute* won the *Ocean Planet* Shorthanded Trophy.

2014: Scott Smithwick won the Dirigo Bowl for the sixth time in seven years. Congratulations are definitely in order for Scott's dominance on the racecourse. Scott Miller won the Ocean Planet Trophy, and Richard Parent took home the Arthur K. Watson Memorial Trophy.

The Overall division winners were Scott Smithwick's *Kaos* in Division 2, Rich Ketchum's *Pit Party* in Division 4, Marc Lorraine's *Hightail* in Cruising and Scott Miller's *Resolute* in

Shorthanded. There were no Overall winners in Divisions 1 and 3.

2015: Congratulations are in order for Ryan and Michelle Raber and their well-honed crew in their first season on the new *Scapa* as they held off Scott Smithwick and *Kaos* to win the Dirigo Bowl. The Overall winners were *Scapa* in Division 2 and Butch Minson on *Cat's Paw* in Division 3. There were no Overall winners in Divisions 1, 4 and Cruising.

Points East, for the first time, awarded the Yachtsman of the Year to the Double Handed team of Scott Miller and Gregg Carville for their accomplishments on Scott Miller's *J/122 Resolute* in the Bermuda 1-2, the Marblehead to Halifax Race and the Fastnet Race.

Once again, the format change to a cocktail party for the fall Awards evening was a big hit as just under 100 sailors gather for the festivities at the Centerboard Yacht Club on the shores of Portland Harbor.

2016: The Northport Yacht Club's Around Islesboro Race was added to the circuit and proved very popular drawing a fleet of 53 boats spanning rats from 30 to 273 and included entrants from as far away as Casco Bay. *Cat's Paw* held off last year's winner *Scapa* by a very slim margin to win the Dirigo Bowl. The Overall winners were Ryan Raber on *Scapa* in Division 2, Butch Minson on *Cat's Paw* in Division 3, and Jonathan Green on *Jereboom* in the Shorthanded Division.

Points East awarded the Yachtsman of the Year to Richard Hallett for his many years of racing accomplishments and helping many sailors with advice and encouragement in their growth as sailors. The format of a cocktail party for the fall Awards evening was again a big hit, with just under 100 sailors gathering for the festivities at the Centerboard Yacht Club on the shores of Portland Harbor.

2017: An almost entirely new executive board was elected, comprised of sailors from the next generation. The number of Race Days was reduced to 4 for regional trophies and 7 for the Dirigo Bowl to encourage more participation. An Educational Series was created by Lauryn Smith and taught by Butch

Minson, with nine classes held between Centerboard Yacht Club and Front Street Shipyard, teaching the basics of sail trim, tactics and racing rules. Cruising Class in Casco Bay saw tremendous double-digit gains in participation, the kind not seen in recent history. The Dirigo Bowl was won by Kenneth Weg and the crew of *Ranger*.

2018: *Fiddler's Green*, a classic cruising boat, was awarded the prestigious Dirigo Cup. *Fiddler's Green* was the first cruising boat to earn the cup in over a decade, since *Nipantuck's*

three-year reign from 2005-2007. In 2018, GMORA grant committee awarded \$2,500 in grant funds to six sailing organizations.

2019: Under the leadership of President Brent Sullivan, membership and PHRF certificates issued rose to the highest level in almost 10 years. In conjunction with the membership growth, Cruise class participation continued to be quite strong. Congratulations to *Ranger*, skippered by Ken Weg, on winning the Dirigo Bowl for the second time in three years.

J/24s in Maine: A Versatile Keelboat for Any Age!

Casco Bay J/24 Fleet 43

Portland Yacht Club

Falmouth Foreside, Maine

FMI: <http://www.j24fleet43.org>

The J/24 Fleet 43 was formed in the great room of the Portland Yacht Club in Falmouth, ME in 1980 and is going strong to this day. That first summer there were close to 25 boats on the starting line. Impressive fact, because the boat was only designed by Rodney Johnstone in his garage in the summer of 1975. Johnstone hoped to create a boat that could be competitive in offshore racing but also was a relatively inexpensive way to get a family out on the water for overnights. Today there are over 5,000 of them worldwide and here in Maine, Fleet 43 is one of the strongest J/24 fleets in the country, regularly getting close to 15 boats on the starting line for our Wednesday Night Series that runs from May to September. We annually host the Downeast Regatta, one of the most popular J/24 regattas in the country, the first weekend after Labor Day, and regularly get 25+ boats. We have hosted a North American championship for 49 teams from across North America. This past fall, Fleet 43 hosted the J/24 National Championship where 48 boats from four countries competed for a berth at the 2019 World Championships to be held in Miami, Fla.

The J/24 sails with 4-6 people and the crew should have a combined weight of 882 lbs. In our fleet, each team hosts race committee once during the summer and an award is given to the best race committee. We start racing at 5:30 or 6:00 p.m. depending upon what time the sun sets and try for two to three good races that are about 45 to 60 minutes in length. The sailors join together at PYC afterwards for drinks and that evening's race committee brings fun snacks to share as we recount the evening's achievements, blun-

ders, and what the wind did or didn't do for us. Sometimes we play video from the evening and share photos.

Molly White, the heart of Fleet 43 and current president of the J/24 National Class says about us, "We have a strong balance of both genders and our fleet is an inviting one for women, men, and kids of all ages — from junior sailors to kids who are in their 60s and 70s. We are a fun-loving, close-knit group of people who work together as a fleet to better each other as sailors. Across the country, and our fleet is no exception, the class is very welcoming and will support anyone who joins. Also, the J/24 is a boat that you can get involved with for minimal cost—to get in at the entry level. I have been racing J/24's for over 20 years and it only gets better!"

The coveted Tonini Trophy is named after our famed and passed George Tonini, who owned J/24 1031 *Trick or Treat*. Steph Helms, one of the legends of the J/24 fleet herself, said about George, "He was an active guy and an active member who just enjoyed the hell out of sailing. He was inspirational and was an all-around great guy. He made it fun and was a pretty damn good sailor who raced in every opportunity." The Tonini Series is won by the team with the best record over the entire season in the Wednesday Night Series and includes other local regattas such as the Pilot Regatta (when there are three or more J24 teams) and includes the Downeast Regatta

For more information about the local fleet, to sign up to crew, to join the fleet go to www.j24fleet43.org or check out the Facebook page. The 2019 Notice of Race will be published on the website soon. To register for or learn more about the 2019 J/24 Downeast Regatta visit www.j24fleet43.org/downeast-regatta-registration. If you'd like to purchase a J/24 check out the national website <http://j24usa.com>. If you are or know of young sailors under the age of 25 who would like to start racing, check out info about the boat grant program: <http://j24usa.com/boat-grant-program/>.
