The President's Page

Friends, Sailors,

With the challenges and lessons learned from last year, we can be happy to have 2020 in the rearview and look forward to an exciting season for 2021. As a group, GMORA was fortunate to still hold many of our events, and although we missed the camaraderie of awards ceremonies and parties, we can be proud of having the opportunity to race during such a tumultuous year. It is encouraging to see the vaccine rollout and some sense of normalcy does not appear as far off as it once did.

As I look to our summer schedule, I see a robust calendar filling up all over Maine. We have replaced the MS regatta in Casco Bay with a new SailMaine event that will raise funds for their non-profit. The push in the Boothbay region to revamp and re-energize the long-standing Boothbay Annual Regatta, combined with a revived ShipYard Cup, will be an exciting addition to our calendar. Our friends in Penn Bay continue to do an amazing job promoting classics, shorthanders and sailing in general with tons of participation. Rounding us out in eastern Maine is another full calendar including fundraisers, club cruises and some of the most competitive big boat sailing in Maine. I really can't wait for it all and we are so close.

I just returned from a quick delivery from Stuart, Florida to Charleston, SC. My son Kinsey and our friends, Ryan and Walter came along. As we docked in Charleston, the local race boats were headed out for a regatta on the bay and the boys could not have been more thrilled to talk to the sailors as they went by. At one point a boat trade was even offered up and I think the locals were a bit surprised that our two junior sailors were ready to make the trade if it meant they could go racing for the day. I couldn't have been more proud of my son and his best mate that they were ready to ditch the dads and go sailing at the drop of a hat.

The sap is running, the temps are rising and boats are being readied for the season. The time of year we all wait for is just around the corner and I can't wait to see all of you on the water. We have all paid the tolls and I expect this will be a great summer to be racing in Maine. Thanks to everyone for coming out, stay safe and we will see you at the starting line.

Best,
Brent

Scoring, Trophies, and Conditions of Eligibility

1. Eligibility

Each boat with a valid PHRF-NE or NEMA certificate whose owner is a current GMORA Regular Member in good standing shall be considered eligible for scoring.

2. Race Day

A Race Day is one day of racing, whether one or more races are conducted. A competitor must compete in all races conducted on a day for that Race Day to be eligible to be scored. If a boat scores DNC in any race, that day will not be scored as a Race Day. Certain long distance races are scored as two Race Days; see the Racing Schedule.

3. Scoring System

Race Day performance of a yacht will be scored by GMORA using the CHIPS 3 scoring system, which weighs results by reference to the number of competitors in a particular division. So, for example, a first place in a division of 12 competitors will yield a higher score than a first place in a division of 5 competitors.

4. Division Breaks

For GMORA scoring PHRF-NE Racing Division breaks will be:

Division 1 – up to 93

Division 2 – 94 to 192

Division 3 – 193 and up

Cruising Class yachts shall be scored in one Division.

Multihull Class yachts shall be scored in one Division.

Shorthanded Class yachts shall be scored in one Division.

J80 Class yachts shall be scored in one Division.

Member clubs are encouraged to use the same breaks where feasible.

5. Scoring

A. A Racing Class yacht shall be scored in her GMORA division irrespective of the division in which she races in any specific regatta. As an example: if a yacht has a Racing rating that places her in GMORA Racing Division 2 but the Race Committee places that boat in Racing Division 1 (for any reason) she shall earn points for each boat beaten that day and those points shall be applied to her GMORA score against her Division 2 season competition

B. Racing, Cruising, Multihull and Shorthanded Classes shall be scored separately. Yachts that score a Race Day in one Class shall not apply that score to any other Class.

C. Standings for the day are determined by the low-point scoring system, which is described in the Racing Rules. A yacht that is present and accounted for in the starting area but does not start a race will be scored DNS for that race, will be considered to have competed, and will be scored accordingly with a Low Point score of 1 plus the number of yachts. CHIPS 3 points for the day are awarded based on the resulting standings.

6. Race Committee Support

The purpose is to encourage yacht owners to support Race Committees by awarding GMORA points for Race Committee participation in GMORA-scored events. GMORA points will be awarded to a yacht whose owner provides support for a Race Committee. The following rules apply:

1. Points will be awarded for at most two race days per season.

2. The owner must serve on the Race Committee for all races in each of the one or two race days.

3. To qualify for an award, a yacht must still race the required minimum number of race days.

4. Race Committee Points will be calculated as follows: Take the trophy-qualifying scores after throw-outs, drop the lowest one or two scores (depending on the number of days supporting the Race Committee in that region) and replace them with the average of the trophy-qualifying scores

5. This calculation will apply to the Region, the Overall, and the Dirigo Bowl trophies. This will not apply to the Watson Trophy, the Ocean Planet Trophy, or other such special awards.

7. Awards

Awards are based on the Chips-3 scoring table (also known as high-point percentage scoring). With Chips-3 scoring, a vessel that wins in a larger fleet is rewarded more handsomely as compared to a vessel that wins in a smaller fleet (refer to the Chips-3 table).

Regional Awards

Trophies will be awarded to eligible yachts in each of the three (3) GMORA Racing Divisions, the Cruising Division and J/80 Class. Second and subsequent place trophies will be awarded if participation in the division is sufficient.

Western Region: To be eligible, a yacht must race at least four (4) Race Days in races designated for the Western Region (includes events labeled ALL) in the Race Schedule. Best four (4) Race Days count. Race Days must be from at least two different organizing authorities and at least four (4) separate events.

Boothbay Region: To be eligible, a yacht must race at least four (4) Race Days in races designated for the Boothbay Region (includes events labeled ALL) in the Racing Schedule. Best four (4) Race Days count. Race Days must be from at least two different organizing authorities and at least three (3) separate events.

PenBay Region: To be eligible, a yacht must race at least four (4) Race Days in races designated for the PenBay Region (includes events labeled ALL) in the Racing Schedule. Best four (4) Race Days count. Race Days must be from at least two different organizing authorities and at least four (4) separate events.

Eastern Region: In lieu of participating in the GMORA season series, GMORA makes an annual contribution to the Great Harbor Dream youth-sailing project.

Gulf of Maine Overall Championships

To be eligible, a yacht must race at least five (5) Race Days, best five (5) Race Days count, and must be in events that are hosted by at least two (2) different organizing authorities; see the Racing Schedule. As an example, if a vessel sailed five (5) Race Days under the auspices of the Portland Yacht Club, she would still have to compete in at least one (1) Race Day under another organizing authority to qualify.

Multihull Circuit Championship

To be eligible, a multihull yacht must race four (4) Race Days in any GMORA sanctioned region. Best four (4) race days count.

Shorthanded Circuit Championship

GMORA will score a shorthanded circuit championship. To qualify for the shorthanded circuit championship, a yacht must race at least three (3) qualifying Race Days, including at least one race 65 nautical miles or longer; and, must race all qualifying races with a crew of at most two (2). The best three (3) days count. At least one race 65 nautical miles or longer must be counted.

A yacht that races shorthanded in a normally crewed division also earns points for that race in that crewed division. A yacht may race with crew on some race days, and shorthanded on others, but not within the same regatta.

A qualifying race day is defined as follows:

If there is a shorthanded class, the yacht must race in that class, except as set forth below. The yacht would be scored against that class.

If there is a single-handed class, but no double-handed class, then a double-handed boat may race in the crewed division in which she would normally race with a spinnaker. The single-handed yachts would be scored against the other single-handed yachts, and the double-handed yachts would be scored against the crewed boat.

If there is no shorthanded class, then a shorthanded boat may race the crewed division in which she would normally race with a spinnaker. The yacht would be scored against the class in which she races.

If a regatta offers more than one shorthanded class for boats flying spinnakers, then yachts shall race in their respective assigned classes, and earn points against those classes. Multihull yachts that meet these requirements are considered eligible. Cruising Class boats are not eligible.

J/80 Circuit Championship

To be eligible a yacht must race in all the combined fleet events designated to count towards the J/80 Maine Circuit

Trophy (See race schedule). Lowest score after all counted regattas will determine the winner. Events designated to count shall be decided by J/80 Fleet 14-Maine before racing begins for the season.

For 2021, the designated events per Fleet 14 are the 46th Annual Boothbay Harbor Regatta (July 24-25th) and the SailMaine Harborfest (August 14-15th).

Perpetual Trophies

Dirigo Bowl, Gulf of Maine Championship

The winner shall be the yacht that attains the highest score for the best five (5) Race Days hosted by at least two (2) organizing authorities.

Arthur K. Watson Memorial Trophy

Awarded to the yacht that participates in the most GMORA sanctioned Events. In the event of a tie the trophy will be awarded to the yacht that has the highest cumulative Race Day CHIPS 3 points.

There is no distinction granted to specific Division participation. Yachts in all Divisions, both Racing and Cruising, are eligible.

Eligibility is recognized even when a yacht participates in more than one Division. Yacht scores from all Divisions will be added together to be cumulative.

Events are Series recognized and sanctioned by GMORA.

Ocean Planet Shorthanded Racing Trophy

Awarded to the first place winner of the Shorthanded Circuit Championship.

CHIPS 3 Scoring Table

This table gives the points awarded to each boat at the end of each day of racing. Notice that each column has one more than the number of boats. The last number indicates the points awarded for DNF. For example, in the first column (for just one boat) the upper number is the points awarded if the boat finishes, and the lower number if the boat does not finish.

The Dirigo Bowl represents a history lesson of sailing in the Gulf of Maine linking the days of multiple overnight races to today's format of predominately weekend day racing.

The winners' plaques read like a who's who of racing in Maine. Roger Hewson was the first Dirigo Bowl award-winner when it began in 1974, under the auspices of the Casco Bay Sailing Association and was the season championship for CBSA. As CBSA dwindled and the Gulf of Maine Ocean Racing Association emerged, the Dirigo Bowl became the season championship for GMORA representing all the handicap racing in Maine.

In the 47 years that have passed since the first competition, there have been only twenty-six winning skippers with one boat winning six times in seven years (*Kaos*, 2008-2014). The trophy itself is impressive. The silver bowl shows the scars of many winning celebrations of hearty toasts to the real and imagined feats of sailing and raucous partying.

Come be part of the Gulf of Maine's sailing history.

Make travel part of the fun. For example, if home is Casco Bay, cruise Penobscot Bay and Blue Hill Bay between the Max Warburg Trophy and the Around Islesboro Race. If you need to, leave your boat in Rockland for a few days on one of the town's many moorings. Imagine the memories you will have next winter.

Get off your mooring and come have some fun.

Since the late 1990s, the Rockland Yacht Club has held an annual race on the Saturday closest to the longest day of the year. Aptly named the Solstice Race, this event is held around government marks in West Penobscot Bay. Racers can look forward to friendly, spirited competition and a chance to knock the rust from sailing skills and reflexes dulled by our long Maine winters. Trophies awarded to Cruising, Racing Division 1, Racing Division 2 Classes and you have a recipe for loads of fun. This is the reward for those who get their boats in early; come out and mix it up!

The Harraseeket Regatta offers racing around some of the most beautiful parts of Casco Bay. The race follows a pursuit format, with the smallest and highest-rated boats starting first — no crowd at the starting line. When boats sail to their rating, the finish can be exciting as the faster boats catch up to the early starters, and everyone crosses the finish within a few minutes of one another.

HYC offers a friendly, casual atmosphere in one of the best-protected harbors in Casco Bay. What a great way to mix racing and cruising in a single weekend!

Moorings: Visiting yachts needing a mooring should contact Strouts Point Wharf Company (207) 865-3899; VHF Ch. 9 or Brewer's South Freeport Marine (207) 865-3181; VHF Ch. 9.

Casco Bay Interclub Regatta

Saturday, July 10 & Sunday, July 11, 2021

Portland Yacht Club
Falmouth, Maine

FMI: www.portlandyachtclub.com/racing or email pyrace@gmail.com

Prior to World War II the "Interclubs" were the highlight of the racing season. They were sponsored in alternate years by the Mere Point YC and the Merriconeag YA with a Saturday race held at one club and the Sunday race at

the other. The alternate year was sponsored by the Portland YC and the Centerboard YC. The post-war period found sailing and racing in the doldrums. The Gannett Publishing was approached and the Guy P. Gannett Trophy was contributed for recognition of the winning club of the "Interclubs". Racing waxed and waned over the next half century from over 100 boats entered in over a dozen classes including Juniors to its final demise as a PHRF-only weekend in 2006. As part of the Portland Yacht Clubs 150th Anniversary, it was proposed to rededicate and resurrect the Casco Bay Interclubs into a more inclusive racing event for all sailors within the confines of Casco Bay.

For 2021, PYC will welcome sailors from non-traditional Yacht Clubs, this would include members of Yacht Clubs, Marinas, Sailing Programs, and One-design Fleets having a physical presence within the geographic boundaries of Casco Bay.

Enjoy racing on two days - **Saturday** will include a PHRF and large keel boat one design (36.7's for example) and **Sunday** will join the local One Design fleets (Etechells, J/24s, J/80s) and One Design dinghies (Lasers, Optis, 420s). Social events will be planned for Saturday evening, depending on the status of the COVID 19 pandemic.

This race returned in 2011 with a new format, recapturing the essence of the original race that was held from 1968 to 1982. While we can no longer race through the Townsend Gut, this race does go around most of the island. The 'Round Southport race is a fun race for boats of all sizes and often draws 20 or more boats. Past participants have ranged from a Herreshoff 12½ (Doughdish) and Club 420 to a Morris M52. The race is a 9.55nm Pursuit Race. There is a cruising class, racing class, and J/80 class. In addition to the individual boats competing, the top-three finishing boats from BHYC and SYC will determine the club that wins the coveted Trash Can Trophy for 2021. This is a fun and challenging race for sailors of all ages.

FMI: www.Regattaman.com

The Marblehead Yacht Club invites sailors to participate in the Downeast Challenge, an exciting overnight, full-moon, sailboat race of 100 nautical miles from Marblehead, MA to Boothbay Harbor, Maine starting on Friday, July 30. This is a great way to get to Maine for summer cruising in the company of like-minded sailors. The 100 nautical mile distance makes this a qualifier for longer races like the Marblehead to

Halifax or Newport to Bermuda. The event is open to all boats 26' or over with lifelines, jacklines and pulpits, and with valid PHRF handicap certificates. Boats without a valid PHRF handicap certificate must indicate if racing in spinnaker or non-spinnaker class, and provide information on boat design, largest headsail (in percentage of “J” measurement), type of propeller (fixed, folding or feathering) and, if in the spinnaker class, the largest spinnaker (in percent of “J”); Marblehead YC will provide an uncontested PHRF rating. Classes will include: PHRF Racing, Cruising, and Single/Doublehanded. Additional classes that have 5 or more registered boats will get their own start.

GMORA History

Following are some year-by-year highlights in GMORA history, compiled from information dug up from various offices, filing cabinets, and certain participants' remarkable memories. Anyone who can fill in any blanks is encouraged to send information to info@gmora.org.

1972 Nearly 60 members, 40 boats participated, 16 qualified for trophies, which were awarded Nov. 2 at the Port House Inn, Kennebunkport. Merle Hallett's *Scaramouche* was the season champion.

1973 The Pilot Race, Whaleback Race Div I and II, Monhegan Race IOR, Monhegan Race (New England Racing Rule), Manana Race, and Boon Island Race composed the series. A yacht needed to participate in at least three races to be eligible for a trophy. Thirty-eight boats were entered in the circuit, 21 received final point standings. The U.S. Coast Guard Academy's *Caper* took 1st overall.

1974 The Camden-Castine Race Weekend, Danforth Cup Race, Harraseeket Yacht Club, Kittery Point, Kollegewigwok, Castine and Camden, led to an expanded series. Twenty-nine GMORC yachts took part in seven races, and 22 qualified by competing in four or more races. For the first time, yachts were divided into two classes. Maine Maritime Academy's *Omega* won Class A, and Abbot Fletcher's *Majek* took 1st in Class B.

1975 Boothbay Harbor Regatta was included for the first time. There were eight races and 21 qualifiers for final standings. Albert Emanuel's *Kolibri* took 1st in IOR, Abbott Fletcher's *Majek* won NERR, Jan Pederson's *Heitoik II* was 1st in MORC. *Majek* was the overall season champion.

1976 A new divisional structure and handicapping system is introduced International Offshore Rule (IOR) and Midget Ocean Racing rule (MORC). There were still two divisions, and 26 boats qualified for final points. Doyle Marchant's *Revolution* won the IOR division. *Barbara*, skippered by Del Damboise, took 1st in MORC.

1977 Twenty-one boats qualified for final scoring. Merle Hallett's *Scaramouche* was 1st in IOR A, J. and Dave Corson's *Rub-a-Dub-Dub* won IOR B, Abbott Fletcher's *Majek* won the NERR division, and Payson Adams *Pointin Star* was tops in MORC.

1978 Danforth Cup and Whaleback Races were dropped from circuit. The Pilot Race changed to two-day race weekend, similar to Boothbay Regatta. Twenty-three boats qualified for final points. Doyle Marchant's *Revolution* and J. and Dave Corson's *Rub-a-Dub-Dub* won IOR A and B respectively. Abbott Fletcher in *Majek* took the NERR division, and Dave Cordeau's *Fast Company* emerged tops in MORC.

1979 Performance Handicap Racing Formula (PHRF) replaces NERR. Three divisions were created, one each for IOR, PHRF and MORC. Winners were Merle Hallett's *Scaramouche* in IOR and Del Damboise's *Barbara* in PHRF.

1980 Race Week was inaugurated. Twenty-five boats qualified for final scoring. Doyle Marchant's *Revolution* was the IOR division champion. PHRF Division A and B winners were Del Damboise's *Barbara* and Jan Pederson's *Heitorik II* respectively.

The Dirigo Bowl goes to Maine Maritime Academy's *Sheerness*.

2005 Sash Spencer's *Whiplash* wins PHRF A, Ned Semonite's *Black Owl* takes PHRF B/J105, Geoff Emanuel wins PHRF C in *Commotion*, Mark Werner's *Nipantuck* wins Cruising Class, and *Faamu Saami* was tops for Multihulls. *Nipantuck*'s Mark Werner wins the Dirigo Bowl.

2006 *Revolution II*, skippered by Ed Rogers, wins PHRF A; Richard Hallett's *The Wagon* is the PHRF B winner; Richard Stevenson's Roach Coach took 1st in PHRF C; *Five*, skippered by Tom Hall and Graciela Lamy, won PHRF D; and Mark Werner's *Nipantuck* won Cruising Class. *Nipantuck* is a repeat winner of the Dirigo Bowl, just edging out *Revolution II*.

2007 GMORA introduces the Arthur K Watson Memorial Trophy, awarded to the yacht that scores the most points throughout the season. In its first year, the trophy goes to *Kaos*. Scott Smithwick's *Kaos* takes 1st in

PHRF A. *Keemah*, skippered by Don Logan, is 1st in PHRF B. John Randall's *Snowbird* wins PHRF C. Mark Werner's *Nipantuck* wins Cruising Class. *Nipantuck* scores a "three-peat," taking the Dirigo Bowl back to Southport for the third year in a row.

2008 Dick Hale's *Bandito* wins Racing Division 1. Scott Smithwick's *Kaos* takes 1st in Racing Division 2. Graciela Lamy's *Seven* wins Racing Division 3. *Pit Party*, skippered by Rich Ketchum and Steve Fernald, emerges at the top of Racing Division 4. Greggus and Jennifer Yahr's *C-C-Courage* takes 1st place in Cruising Class. Merle Hallett's *Scaramouche* wins the Arthur K Watson Memorial Trophy. *Kaos*, skillfully sailed by Scott Smithwick and his outstanding crew, is winner of the Dirigo Bowl.

2009 GMORA teamed up with SailMaine to launch the first annual SailMaine Regatta. Funds raised through entry fees and product sales benefited the SailMaine community sailing program in Portland, which offers sailing instruction and coaching to youth, high-school teams, and adults. Pete Price's *Big Dog Party* won Division 1; Scott Smithwick's *Kaos* took first in Division 2; *Tamarack*, skippered by Bob Kellogg, took top honors overall in Division 3; *Pit Party*, co-captained by Rich Ketchum and Steve Fernald, was 1st overall in Division 4; Randy Rice's *Rita P* took 1st overall for Cruising Class. Scott Smithwick and *Kaos* scored a repeat, winning the Dirigo Bowl for the second straight year.

2010 GMORA introduced the *Ocean Planet* Shorthanded Racing Trophy to recognize excellence among singlehanded and doublehanded racers. The winner would be the yacht with the best six race days, two of which had to be sailed in a race with a distance of 50 miles or greater. Bruce Schwab, skipper of the Open 60 *Ocean Planet* that competed in the Around Alone Race, donated an artifact from the original *Ocean Planet* to serve as a perpetual trophy. Butch Minson, skipper of *Cat's Paw*, was the first winner of the trophy.

The PHRF Maine Regatta moved to the Boothbay area, as Boothbay Harbor and Southport Yacht Clubs teamed up to host a two-weekend series of races.

At year's end, Pete Price's *Big Dog Party* emerged at the top of Division 1 overall, Scott Smithwick's *Kaos* won Division 2,

Foggy start at the Lightship Race.

Butch Minson in *Cat's Paw* took Division 3, Rob Hawley won Division 4 in *Rainier*, and Randy Rice's *Rita P* was tops in Cruising Class.

Scott Smithwick and his crew on *Kaos* won the Dirigo Bowl for a third straight year, edging out Don Logan's *Keemah* by just a few points.

2011 The racing schedule was revamped in an effort to ease delivery logistics and encourage more boats to participate. Following the Fourth of July weekend, the action moved straight to Penobscot Bay, where the Rockland Yacht Club stepped up to the plate and hosted a "revival edition" of a favorite point-to-point race to Castine and back. Racers competed the following weekend off Camden, and then boats harbor-hopped their way back west, with stops at Boothbay and Southport before the big Monhegan overnighter.

Scott Smithwick and his talented crew aboard *Kaos* were once again dominant, winning the Dirigo Bowl for a fourth consecutive year. *Big Dog Party*, skippered by Pete Price, won Division 1; *Kaos* emerged atop Division 2; Butch Minson's *Cat's Paw* was 1st overall in Division 3; and Randy Rice's *Rita P* won Cruising Class.

2012 The Penobscot Bay Rendezvous was added to the circuit and proved very popular. The

inaugural running of the Gulf of Maine Solo-Twin race from Provincetown to Rockland was a hit with single- and double-handed racers.

Don Logan's *Keemah*, Peter Price's *Big Dog Party*, and Richard Stevenson's *Buzz* battled it out all summer for the Dirigo Bowl, with *Keemah* emerging as the victor at the end after the Portland Yacht Club's Fall Series was done. Overall division winners were *Big Dog Party* in Division 1, *Keemah* in Division 2, and in the Cruising Division, Randy Rice came in first in the new-to-him Pearson 34 *Imagine*. *Buzz* won the Ocean Planet Shorthanded trophy.

2013 Scott Smithwick and crew on board *Kaos* once again schooled the fleet taking home the Dirigo Bowl, for the fifth time in six years, but not without some drama in September. At the end of August, *Kaos* lead *Keemah* for the overall by 11.1 points, and proceeded to extend her lead after the first Fall Series race. However, the next week, in the Lightship Race, *Keemah* beat *Kaos* to cut into *Kaos*' lead, but not by enough. The die was cast.

Overall division winners were Scott Smithwick's *Kaos* in Division 2 and Butch Minson's *Cat's Paw* in Division 3. There were no overall winners in Divisions 1, 4 or Cruising. Scott Miller's *Resolute* won the Ocean Planet Shorthanded Trophy.

TAMARACK rounding the pin during the Schooner Trophy Race.

2014 Scott Smithwick won the Dirigo Bowl for the sixth time in seven years. Congratulations are definitely in order for Scott's dominance on the race-course. Scott Miller won the Ocean Planet Trophy, and Richard Parent took home the Arthur K. Watson Memorial Trophy.

The Overall division winners were Scott Smithwick's *Kaos* in Division 2, Rich Ketchum's *Pit Party* in Division 4, Marc Lorraine's *Hightail* in Cruising and Scott Miller's *Resolute* in Shorthanded. There were no Overall winners in Divisions 1 and 3.

2015 Congratulations are in order for Ryan and Michelle Raber and their well-honed crew in their first season on the new *Scapa* as they held off Scott Smithwick and *Kaos* to win the Dirigo Bowl. The Overall winners were *Scapa* in Division 2 and Butch Minson on *Cat's Paw* in Division 3. There were no Overall winners in Divisions 1, 4 and Cruising.

Points East, for the first time, awarded the Yachtsman of the Year to the Double Handed team of Scott Miller and Gregg Carville for their accomplishments on Scott Miller's *J/122 Resolute* in the Bermuda 1-2, the Marblehead to Halifax Race

and the Fastnet Race.

Once again, the format change to a cocktail party for the fall Awards evening was a big hit as just under 100 sailors gather for the festivities at the Centerboard Yacht Club on the shores of Portland Harbor.

2016 The Northport Yacht Club's Around Islesboro Race was added to the circuit and proved very popular drawing a fleet of 53 boats spanning ratings from 30 to 273 and included entrants from as far away as Casco Bay. *Cat's Paw* held off last year's winner *Scapa* by a very slim margin to win the Dirigo Bowl. The Overall winners were Ryan Raber on *Scapa* in Division 2, Butch Minson on *Cat's Paw* in Division 3, and Jonathan Green on *Jereboam* in the Shorthanded Division.

Points East awarded the Yachtsman of the Year to Richard Hallett for his many years of racing accomplishments and helping many sailors with advice and encouragement in their growth as sailors. The format of a cocktail party for the fall Awards evening was again a big hit, with just under 100 sailors gathering for the festivities at the Centerboard Yacht Club on the shores of Portland Harbor.

2017 An almost entirely new executive board was elected, comprised of sailors from the next generation. The number of Race Days was reduced to 4 for regional trophies and 7 for the Dirigo Bowl to encourage more participation. An Educational Series was created by Lauryn Smith and taught by Butch Minson, with nine classes held between Centerboard Yacht Club and Front Street Shipyard, teaching the basics of sail trim, tactics and racing rules. Cruising Class in Casco Bay saw tremendous double-digit gains in participation, the kind not seen in recent history. The Dirigo Bowl was won by Kenneth Weg and the crew of *Ranger*.

2018 *Fiddler's Green*, a classic cruising boat, was awarded the prestigious Dirigo Cup. *Fiddler's Green* was the first cruising boat to earn the cup in over a decade, since *Nipantuck's* three-year reign from 2005-2007. In 2018, GMORA grant committee awarded \$2,500 in grant funds to six sailing organizations.

2019 Under the leadership of President Brent Sullivan, membership and PHRF certificates issued rose to the highest level in almost 10 years. In conjunction with the membership growth, Cruise class participation continued to be quite strong. Congratulations to *Ranger*, skippered by Ken Weg, on winning the Dirigo Bowl for the second time in three years.

2020 Given the outlook in May 2020, the season (the year of the virus, masks and social distancing) was successful thanks to Maine's lower case load versus many other states, and Maine's sailors drive to do what was necessary to get out on the water safely. By eliminating shore-side gatherings before and after racing and following the guidelines for masks and social distancing, the fleet sailed almost all of the racing schedule (2 regattas were cancelled and 1 was reduced to a 1 day event). PenBay, Boothbay and Northeast Harbor started on time while Casco Bay delayed the June weekend races to July. At the end of the season Ken Weg and crew on *Ranger* took home their third Dirigo Bowl in 4 years. Congratulations!

J/24s in Maine: A Versatile Keelboat for Any Age!

Casco Bay J/24 Fleet 43

Portland Yacht Club
Falmouth Foreside, Maine

FMI: <http://www.j24fleet43.org>

The J/24 Fleet 43 was formed in the great room of the Portland Yacht Club in Falmouth, ME in 1980 and is going strong to this day. That first summer there were close to 25 boats on the starting line. Impressive fact, because the boat was only designed by Rodney Johnstone in his garage in the summer of 1975. Johnstone hoped to create a boat that could be competitive in offshore racing but also was a relatively inexpensive way to get a family out on the water for overnights. Today there are over 5,000 of them worldwide and here in Maine, Fleet 43 is one of the strongest J/24 fleets in the country, regularly getting close to 15 boats on the starting line for our Wednesday Night Series that runs from May to September. We annually host the Downeast Regatta, one of the most popular J/24 regattas in the country, the first weekend after Labor Day, and regularly get 25+ boats. We have hosted a North American championship for 49 teams from across North America. This past fall, Fleet 43 hosted the J/24 National Championship where 48 boats from four countries competed for a berth at the 2019 World Championships to be held in Miami, Fla.

The J/24 sails with 4-6 people and the crew should have a combined weight of 882 lbs. In our fleet, each team hosts race committee once during the summer and an award is given to the best race committee. We start racing at 5:30 or 6:00 p.m. depending upon what time the sun sets and try for two to three good races that are about 45 to 60 minutes in length. The sailors join together at PYC afterwards for drinks and that evening's race committee brings fun snacks to share as we recount the evening's achievements, blun-

ders, and what the wind did or didn't do for us. Sometimes we play video from the evening and share photos.

Molly White, the heart of Fleet 43 and current president of the J/24 National Class says about us, "We have a strong balance of both genders and our fleet is an inviting one for women, men, and kids of all ages — from junior sailors to kids who are in their 60s and 70s. We are a fun-loving, close-knit group of people who work together as a fleet to better each other as sailors. Across the country, and our fleet is no exception, the class is very welcoming and will support anyone who joins. Also, the J/24 is a boat that you can get involved with for minimal cost—to get in at the entry level. I have been racing J/24's for over 20 years and it only gets better!"

The coveted Tonini Trophy is named after our famed and passed George Tonini, who owned J/24 1031 *Trick or Treat*. Steph Helms, one of the legends of the J/24 fleet herself, said about George, "He was an active guy and an active member who just enjoyed the hell out of sailing. He was inspirational and was an all-around great guy. He made it fun and was a pretty damn good sailor who raced in every opportunity." The Tonini Series is won by the team with the best record over the entire season in the Wednesday Night Series and includes other local regattas such as the Pilot Regatta (when there are three or more J/24 teams) and includes the Downeast Regatta.

For more information about the local fleet, to sign up to crew, to join the fleet go to www.j24fleet43.org or check out the Facebook page. The 2019 Notice of Race will be published on the website soon. To register for or learn more about the 2019 J/24 Downeast Regatta visit www.j24fleet43.org/downeast-regatta-registration. If you'd like to purchase a J/24 check out the national website j24usa.com. If you are or know of young sailors under the age of 25 who would like to start racing, check out info about the boat grant program: j24usa.com/boat-grant-program/.
